

ONLINE DRIVING SAFELY PRESENTATION

**We are pleased to announce that TONS-
Transportation Options Network for Seniors
will be offering the Driving Safely
presentation virtually for Older Adults in
Manitoba**

**The "Driving Safely" presentation provides
Older Adults information on physical, mental
and functional changes that may occur with
age and could in turn affect driving abilities.**

**-We discuss strategies and tools that will
support Older Adults in becoming more self-
aware about their health, their driving and we
focus on empowering the individual to make
better decisions for themselves.**

**-We also discuss community options that are
available for a time when a driver may need to
transition to a passenger**

**- Participants are not tested on driving skills,
this is an information style presentation**

**-Please note a limited amount of bookings will
be available**

If you have questions or would like to book your virtual presentation, please email Samantha at info@tonsmb.org

ABOUT OUR ONLINE PRESENTATION

As community groups re-open, we'd like to continue offering Older Adults the opportunity to receive education from the comfort of their own home for the time being.

Here's what you can expect when you book an online presentation from TONS:

- You can choose the platform of your choice with preference to ZOOM or Facebook live (alternatives can be discussed)
- If your group chooses to use Zoom, we can provide a registration link to ensure managed attendance
- Your group will receive a private secure link created for your group which you can email out to your participants
- Participants can choose to watch and participate from the comfort of their own home or groups can stream the presentation in their community group location (please ensure adequate wifi strength if you choose this option)
- The presentation is FREE of charge and requires a time commitment of about 45-50 mins including time for Q&A
- Groups can choose to have the presentation slides emailed out in advance in PDF form if they would like to follow along, otherwise it will be displayed on their screen
- The TONS facilitator will restrict/monitor the use of participant audio & video

If you have questions or would like to book your virtual presentation, please email Samantha at info@tonsmb.org
